

SCHAUMBURG MUNICIPAL HELISTOP

ABOUT THE AIRPORT

Schaumburg Municipal Helistop (4H1) is a public-use helistop in northeast Illinois in the Village of Schaumburg. The Helistop, which is publicly owned and operated by the Village of Schaumburg, is located 24 miles northwest of Chicago in Cook County. Due to its proximity to the Chicago metropolitan area, 4H1 supports activity from government operations, business fliers, and recreational travelers.

WHAT IS ECONOMIC IMPACT?

On-Airport Activity

The impacts generated by airports including airport management and administration, airport tenants, as well as on-airport construction.

Labor Income

Also known as "payroll"; total employment compensation, including wages and other benefits (e.g., healthcare insurance payments, retirement).

Visitor Spending

The impacts generated by out-of-state visitors to Illinois, for personal or business reasons, who spend money on accommodations, food and beverage, local ground transportation, retail, and entertainment.

Air Cargo

Economic contributions from industries in Illinois that receive or ship air cargo through Illinois airport. Air Cargo impacts are quantified at the District and Statewide levels only.

Employment

Value Added

The economic productivity of each aviation-related business establishment, calculated as business revenue earned minus the cost of purchasing goods and services from other businesses. It includes all labor compensation, profits, and business taxes paid.

REGION 1

IDOT District 1

Region 1 is located in northeast Illinois and encompasses the Chicago Metropolitan Area, also known as Chicagoland, that borders Wisconsin, Indiana, and Lake Michigan. Thirty-six Fortune-500 companies have a presence in the Chicago area and act as significant economic drivers for the region. The Region's 17 airports support passenger, recreational, and business users within Illinois and in bordering states. Chicago O'Hare International Airport (ORD) and Chicago Midway International Airport (MDW) are two of the largest and busiest airports in the state and serve as international hubs for passenger travel. In 2019, Region 1's airports generated 375,370 jobs, \$25.5 billion in labor income, \$42.7 billion in value added, and \$73.5 billion in total economic impact.

STATEWIDE

Illinois boasts a robust aviation system of over 80 airports, including some of the busiest facilities on the globe. To support this robust system, the Illinois Department of Transportation (IDOT) initiated the development of the Illinois Aviation Economic Impact Analysis (EIA) to quantify each airport's annual monetary contribution to their local, regional, and statewide economies. The EIA determined that Illinois' airports generated 492,768 jobs and contributed \$95.5 billion to the state's economy in 2019.
